

'Call of the Wall' Ride

A good opportunity for cyclists to show they care and also give something back to the Dandenongs, one of Melbourne's premier training destinations.

The Victorian State Government is removing a teacher from Olinda Primary School and families are having to take out a bank loan to pay the teacher's salary for them to remain at the school (see The Herald Sun, 2 March 2006, p. 3). Here is an opportunity for cyclists who regularly ride in the Dandenongs to help the community who support and encourage our weekly visits.

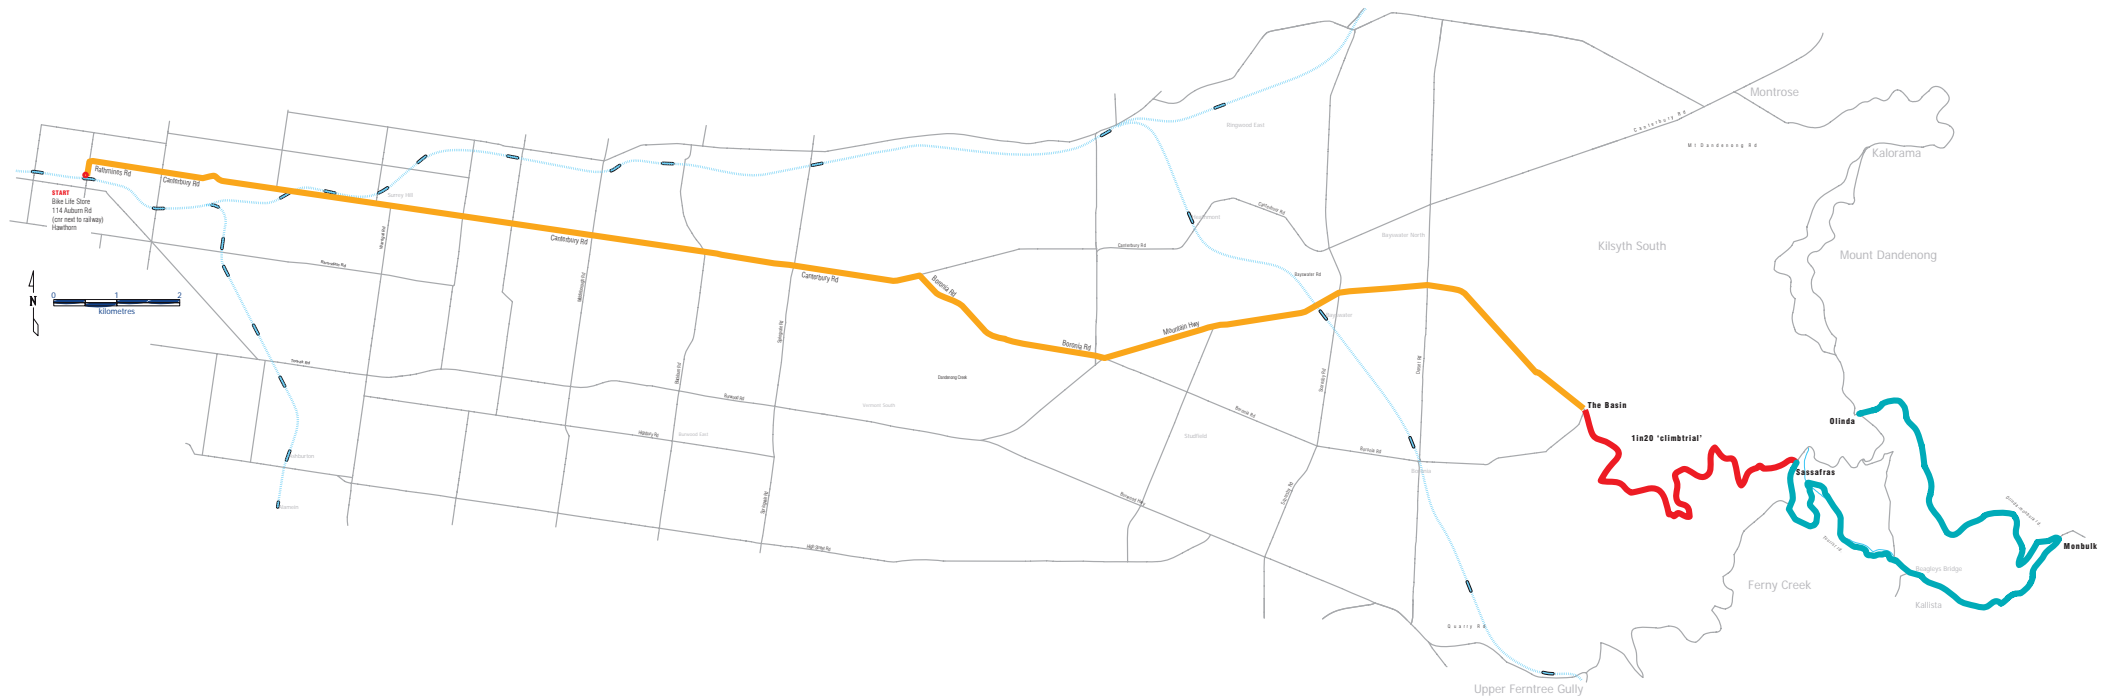

Join your fellow cyclists on the 'Call of the Wall Ride' taking place on

Sunday, 26 March '06.

For more information, contact callofthewall@yahoo.com.au

The ride will start from Bike Life, Auburn Road, Hawthorn at 7.00 am. Meet us there arriving around 9.30 am at the school or join along the way.

The ride will head towards the Basin via the Mountain Highway, ride up the 1 in 20, down Sherbrooke Road and up the Wall finishing at Olinda Primary School where riders can pledge a \$10 donation to help the local kids.

Note: This is a training ride. Riders who participate do so at their own risk and liability.
